

UNITED STATES BANKRUPTCY COURT  
DISTRICT OF NEW MEXICO

In re:

BREEDYK DAIRY, LTD., CO.,

No. 16-11218-j11

Debtor.

Chapter 11

**EMERGENCY MOTION FOR RELIEF FROM AUTOMATIC STAY**

Robinson Farms, Inc. (“Creditor”), by counsel and pursuant to 11 U.S.C. § 362(d), moves the Court for relief from the automatic stay to permit Creditor to exercise all rights and remedies under applicable non-bankruptcy law with respect to certain property of the Debtor. In support of this Motion, Creditor states as follows:

1. On May 17, 2016 (the “Petition Date”), Breedyk Dairy, Ltd., Co. (the “Debtor”) commenced this bankruptcy case by filing a voluntary petition for relief under Chapter 11 of the Bankruptcy Code.

2. The Debtor is operating as a debtor in possession under Chapter 11 of the Bankruptcy Code.

3. This Court has jurisdiction over this proceeding pursuant to 11 U.S.C. §1112 and 28 U.S.C. §§157 and 1331.

4. Venue in this Court is proper pursuant to 28 U.S.C. §1409.

4. On or about May 11, 2016, Creditor provided custom crop harvesting services to Debtor harvesting 2,528.77 adjusted tons of silage (the “Crop”) on Breedyk Dairy farms in Chaves County, New Mexico.

5. The Debtor has failed to pay Creditor for the harvesting services.

6. The total amount owed to Creditor by Debtor for the harvesting services is \$93,231.84. A copy of the invoice for the harvesting services is attached hereto as Exhibit A.

7. Pursuant to NMSA 1978 § 48-5A-1, Creditor has a lien (“Lien”) on the Property which was duly perfected by recording a Claim of Lien in the office of the Clerk of Chaves County, New Mexico, on May 27, 2016 (the “Claim of Lien”). A draft copy of the Claim of Lien is attached hereto as Exhibit B. A copy of the recorded Claim of Lien will be filed with the Court as soon as possible.

8. As of the Petition Date, Debtor was indebted to Creditor in the total amount of \$93,231.84 (the “Indebtedness”). The Lien secures payment of the Indebtedness. Creditor may be entitled to recover his attorney’s fees, filing fees and costs to prosecute this motion.

9. Upon information and belief, the current value of the Crop is substantially greater than the Indebtedness. The basis for Creditor’s estimate of value is Creditor’s experience.

10. Upon information and belief, the Debtor is using the Crop for livestock feed, and the Crop is being depleted.

11. Upon information and belief, there are no other perfected liens on the Crop and, in any event, Creditor’s lien is first and prior.

12. As of the Petition Date, the Debtor had not made any payments on the Indebtedness, pre- or post-petition.

13. 11 U.S.C. §362(d) provides that relief from the stay shall be granted “for cause, including the lack of adequate protection of an interest in property of such party in interest.” 11 U.S.C. § 362(d)(1).

14. As of the date of this Motion, upon information and belief, the Crop is being consumed by the Debtor’s livestock, and Creditor’s interest in the Crop is not being adequately protected. *See In re Anderson*, 137 B.R. 819, 823 (Bankr. D. Colo. 1992)(recognizing that a creditor's lien on crops was in need of protection because the crops were being consumed by the cattle in the debtor’s feedlot operation).

15. Therefore, under 11 U.S.C. §362(d)(1), the automatic stay should be immediately modified to allow Creditor to exercise its state law rights and remedies as to the Crop, including but not limited to, taking possession of the Crop, liquidating the Crop, and applying the proceeds to payment of the Indebtedness.

16. Creditor has requested the concurrence of the Debtor, who does not consent to the relief requested in this Motion.

WHEREFORE, Creditor prays that the Court enter an order: (i) modifying the automatic stay to permit it to exercise its non-bankruptcy law remedies with respect to the Crop, (ii) providing that the order for relief is not to be stayed as provided by F.R. Bankr.P. Rule 4001(a)(3), and (iii) granting such other and further relief as the Court deems just and proper.
